

**ORDER OF THE INDIANA GAMING COMMISSION
WITHDRAWING ITS JULY 20, 2004 CONDITIONAL AWARD
OF AN OPERATING AGENT CONTRACT FOR A PROJECT IN ORANGE
COUNTY, INDIANA TO TRUMP INDIANA CASINO MANAGEMENT, LLC**

The Indiana Gaming Commission ("Commission"), in accordance with and pursuant to IC 4-33 *et seq.* and its July 20, 2004 Order Regarding Applications for an Operating Agent Contract for a Project in Orange County, Indiana, ("Order") hereby withdraws its conditional award of an operating agent contract to Trump Indiana Casino Management, LLC ("Trump").

The Commission's initial award to Trump was explicitly contingent upon the negotiation and execution of an operating agent contract. The Order, along with Commission Resolution 2004-34, further granted the Executive Director of the Commission the authority to negotiate and execute an operating agent contract. The Order also provided that if the parties were unable to negotiate and execute an operating agent contract, the Order would be withdrawn upon further action by the Commission.

On February 28, 2005 and pursuant to the authority delegated to him by the Commission, the Executive Director terminated exclusive negotiations with Trump regarding the operating agent contract and determined that an acceptable Operating Agent contract could not be negotiated or executed with Trump in the foreseeable future.

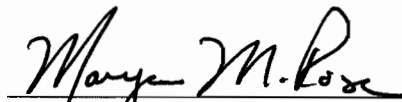

Pursuant to and in accordance with IC 4-33 *et seq.*, and in consideration of the foregoing facts and circumstances, the Commission hereby finds that it is compelled to take official action to withdraw its initial award. This Order shall therefore constitute the Commission's formal withdrawal of its July 20, 2004 conditional award of an operating agent contract to Trump Indiana Casino Management, LLC.
